

Working Holiday Canada Summer 2012

City Description

Located in the heart of Lake of the Woods, Sioux Narrows is a resort community offering some of northwestern Ontario's finest resorts and lodges. Sioux Narrows is a true resort community with its many resorts, campgrounds, houseboat operators and hotels and motels located in and around the area. The forest in the area supports abundant wildlife and birds in stands of aspen, maple, white pine, birch and balsam. The forest also supports a variety of edible plants including hazlenuts, blueberries, raspberries, starwberries and sand cherries. On occasion you will see white-tail deer, moose and black bear. Bald eagles, ospreys and comorants breed on nearby islands and the beach and shoreline are great places to spot great blue herons, loon, white pelicans and sapsuckers. Nature abounds!

From sailing to kayaking, Sioux Narrows is a water lovers' dream. The woods surrounding the lake provide for nature walks, hiking and mountain biking. Amid the fresh, crisp, cool air of a Northern Winter,
